

Dear Parents,

St. George Hellenic School is ready for a very productive new school year 2017-2018. We would like to welcome you all back and to inform you that the first day of classes will be Saturday, September 09, 2017.

Our beloved Father Chrysanthos Kerkeres will bless us all with the Holy Sacrament of Agiasmos on the first day.

It is a great opportunity to meet the teachers, other parents and spend together some quality time discussing things that affect the education of our children.

Dear Parents, thank you all for your commitment to the Hellenic Orthodox education and we count on your active participation in the operation of our Greek School throughout the year and your co-operation with our Principal, Teachers and the Hellenic School Committee.

As we are making the final preparations for our classes for the school year 2017-2018, scheduling teachers and curriculum needs, lesson plans, and educational material, it is very essential to know as soon as possible the number of students at each level. For this reason early-registration is very very important!!!

Registration for the coming school year 2017-2018, is now open.

Register In-Person: Registration can be done in person during school hours on Saturday Sep 09 or any other day during church office hours 10 AM to 2 PM, Monday through Friday.

Under the spiritual guidance of Father Chrysanthos and the direction of our Principal Dr. Eva Patrikakou, St George Greek Orthodox Church considers the Hellenic School as an equally essential ministry in importance with the teaching ministry of our Orthodox faith and makes every effort to keep the cost to a minimum while offering the best possible education of any Hellenic School.

Please feel free to contact Father Chrysanthos Kerkeres or Mary Diamantakos with any concerns or questions. The teachers, students and their parents are all part of the one family of St. George Church. Thus, as a family we work together in order to realize our goals: how to best educate our children.

“Attention Required Important Attendance Policy”

Attendance in all classes is required. A student who will be absent for 1/3 of the school meeting dates in a given school year will not be promoted to the next level. Please keep in mind that the following school celebrations are part of school meeting dates: Greek Letters celebration, 25th of March Greek Independence, and End-of-the-school-year program. Being on time is also essential for fostering learning and school operation. Classes start promptly at 9:00 am. If you arrive late, your child misses part of the instruction and ongoing activities, and there is a disruption to the class already in progress. Excessive, habitual tardiness (+10 minutes) and/or leaving early (-15 minutes) will also have an impact on attendance; three tardies equal one absence.

- **Please Note if Students are not picked up immediately after the end of the scheduled school day an additional fee will be applied of \$25.00**
