

ST. GEORGE GREEK SCHOOL – REGISTRATION FORM

Dear Parents,

St. George Hellenic School is ready for a very productive new school year 2023 - 2024. We would like to welcome you all back and to inform you that the **first day of classes will be Saturday September 9, 2023.**

Our beloved Father Chrysanthos Kerkeres and Father Peter Sarolas will bless us all with the Holy Sacrament of Agiasmos on the first day.

We would like to thank you for your commitment to the Hellenic Orthodox education and we count on your active participation in the operation of our Greek School throughout the year and your co-operation with our Principal, Teachers and the Hellenic School Committee.

As we are making the final preparations for our classes for the school year 2023 - 2024, scheduling teachers and curriculum needs, lesson plans, and educational material, it is very essential to know as soon as possible the number of students at each level. For this reason we ask that you register at your earliest convenience.

Registration for the coming school year 2023-2024 is now open

The Greek School schedule for each Saturday is as follows:

- 9:00AM – 12:30PM: Greek School Classes
- 12:30PM – 1:30PM: Optional – Hope/Joy & Bidy Basketball*
** Lunch will be served to those students participating in the Hope/Joy & Bidy Basketball portion of the day. Lunch is provided **free of charge** for all those attending.*

Under the spiritual guidance of Father Chrysanthos and Father Peter along with the direction of our Principal Jinie Papaioannou, St George Greek Orthodox Church considers the Hellenic School as an equally essential ministry in importance with the teaching ministry of our Orthodox faith and makes every effort to keep the cost to a minimum while offering the best possible education of any Hellenic School.

Please feel free to contact Father Chrysanthos Kerkeres, Father Sarolas, or Mary Diamantakos with any questions. The teachers, students and their parents are all part of the one family of St. George Church. Thus, as a family we work together in order to realize our goals: how to best educate our children and keep them close to and active in our Greek Orthodox faith and traditions.

Please email forms and contact Mary Diamantakos for registration and payment processing in advance of the first day of school –

Attention Required – Please read, fill in, and sign.

- Attendance in all classes is required. A student who will be absent for 1/3 of the school meeting dates in a given school year will not be promoted to the next level. Please keep in mind that the following school celebrations are part of school meeting dates: Greek Letters celebration, 25th of March Greek Independence, and End-of-school-year program.
- Being on time is essential for fostering learning and school operation. Classes start promptly at 9:00 am. If you arrive late, your child will miss part of the instruction and ongoing activities, and there is a disruption to the class already in progress. Excessive, habitual tardiness (+10 minutes) and/or leaving early (-15 minutes) will also have an impact on attendance; three tardies equal one absence.
- Families failing to pick up their student(s) immediately after the end of the scheduled school day will incur a \$30 fee.
- I authorize** OR **I do not authorize (check one)** my child's name and likeness, whether photographed or videotaped, to be used in print, on the St. George Greek Orthodox Church website, or in any other social media, provided the purpose of such use is for the promotion or benefit of the St. George Greek School.
- I authorize** OR **I do not authorize (check one)** my child/my children to receive Holy Communion when attending Divine Liturgy. Attendance to Divine Liturgy may be planned (included in Greek School calendar) or unplanned (based on Feast Days that fall on a Saturday).
- I have read this document and fully understand its contents. I am signing this voluntarily of my own free will. By signing this I confirm I have full authority to make the authorizations granted here and that no other party's permission is required.
